AGT! BGT! I'm sure that other countries besides America and Great Britain also have talent. People want to showcase their talents on these shows. But, in real life, it is usually the opposite.

During the pandemic, we need to reflect on the talents or gifts that we possess that are needed now. It is a time of loneliness or fear for many people. We may not be able to visit or be physically close, but to reach out by phone or Zoom or a "thinking of you" card can mean a lot. Discerning how our talents or gifts are needed now is a good prayer at this time, lest the Master come back and find us with unused or buried talents.
